Behaviour Policy

We have an inclusive community. We require the cooperation of all participants to make this space fun for everyone. Should a child display behaviour that is unacceptable, the parent will be informed and the child may not be allowed to participate in certain activities until the child's behaviour improves and the staff feels secure in allowing the child to participate. In extreme cases immediate pickup from a parent may be required. If the child is unable to participate due to behaviour, the parent will be asked to make alternate child care arrangements for the day. This policy must be read and signed by both the parent/ guardian and the child. Even for our younger children, it is important that the child understands that it is everyone's responsibility to maintain Deer Run Community Childcare core values as an important member of our community.

I, _____ , understand and agree with the behaviour policy outlined above.
